Gentlemen:

Lot 143 Various Copper Coins 123 pieces I would like if they go cheap. You bought the other lot for me 2¼ if they dont go too high you may bid them off for me. Use your judgment. I have no Mass ½ cent. If you buy the Coppers, and have a ½ ct. at fair price put in one. There are two in your catalogue Lot 224 & 226 the date would make no difference with me. Perhaps you could get one of them

Yours truly
